
Theological Review Journal

This review has been in existence since 1929. It was originally issued under the name *The Religious Review of the Czechoslovak Church* and since 1968 was issued as *The Theological Review of the Czechoslovak Hussite Church*. It adopted and has maintained its current title since 1991 when the Hussite Theological Faculty took over responsibility for its publication.

Theological Review is a quarterly journal which is included in the list of peer-reviewed, non-impact periodicals published in the Czech Republic.
