
Courses for exchange students

Courses Taught in English and in Other Foreign Languages

During your Erasmus study stay at Charles University in Prague you will belong to one of the **17 faculties** the university is formed out. The faculties are fairly independent and receive funding per student's head. Also all our Erasmus agreements are always linked with one faculty only.

This is why you need to remember this **important rule**: you must **TAKE MIN. 51 % of your subjects from the offer of your host faculty.**

The rest (max. 49% of subjects) can be selected from the other faculties of Charles University - if they correspond with your study field and there are places free in the course.

Every faculty offers a variety of courses and seminars in English, German, French and other foreign languages. Most of the faculties present the **lists of courses** on their websites - as listed below. Please, note that the final **timetables** are never known until ca. 14 days before the start of semester!
